

Please take the following steps to create a GIST Online Store account and download GIST products

1. Go to <http://store.gistplan.com/store/list>.
 2. Select the **'Create an Account'** link.
 3. Complete the account information set up; include a User name and Password. Also, select the box near the bottom titled **"Check this box if you have a promotion code"**.
 4. Next, select the **'Claim a Promotion'** link under the store navigation menu options. On the promotion page, enter the promotion code **'_____'** and select the **'Claim Promotion'** Button.
 5. The next page will show the products associated with that promotion, select the **'Claim Promotion'** Button.
 6. The GIST products will then be placed in the **'Your Downloads'** section of the GIST Online Store. Select the appropriate link for the operating system, Macintosh or PC.
 7. Complete the download and installation wizards and your done!
