

**Please take the following steps to download and install the GIST Software or GIST related products.**

1. Go to <http://store.gistplan.com/store/list>
  2. Sign in to your account with your **Username** and **Password**.
  3. After you have signed on to your account, select the '**Claim a Promotion**' link under the store navigation menu options.
  4. This will take you to the promotion page, enter in the promotion code field '                    ' and select the '**Claim Promotion**' Button.
  5. The next page will show the products associated with that promotion, select the '**Claim Promotion**' Button.
  6. The GIST products will then be placed in the '**Your Downloads**' section of the GIST Online Store. Select the appropriate link for the operating system, Macintosh or PC.
  7. Complete the download and installation wizards and you're done!
